### Spinifex Tabor

*Barossa Valley*

Mataro

This is the second Tabor to be released, following the 2004, and was sourced from two mature vineyards located in the locale of Tabor, to the east of Tanunda, on the Barossa Valley floor. 2009 was a particularly strong Mataro vintage, giving deep, savory and harmonious wines with a rare natural balance and completeness. This bottling, of 980 bottles, is one of the highlights of the red wines we produced in 2009, a profound expression of old vines, Mataro and the ancient soils of the Barossa Valley

Aromatically deep and complex, dark and exotically spiced, dried cherries, sumac, mace, sandalwood, white pepper, cinnamon, black tea and dark rose petals, old vine complexity and discretion.

Masculine, full bodied, compact - has concentration and richness yet is not heavy or bulky. Exotic dried spice, earth and sour edged red fruit flavors build with the dense fine grained tannins, long. A counter play of savory, earthy spice, sweet fruit and savory sanguine tannins. An engaging wine.
