## 2014 Spinifex Aglianico

Sourced from a single vineyard in the northern most reaches of the Adelaide Hills.

Aglianico has shown a great affinity for this site with the fruit ripening very late, typically just before the break in the season, with deep flavours, fresh tannins and high natural acids.

All fruit is hand harvested, fully destemmed and fermented with indigenous yeasts and is on skins for 14-20 days.

Elevage is undertaken in both tank and oak, on lees, for 10 months prior to bottling without filtration.
