

Spinifex

Barossa Valley

2016 Spinifex Moppa Shiraz

Barossa Valley

This 3.5-acre vineyard, located in the "Moppa" sub-region, an elevated zone in the north-western reaches of the Barossa Valley, has been a source of exceptional Shiraz, Grenache and Mataro for Spinifex since 2005. "The grower is a very reserved gentleman," "understated and modest. But of all the growers that we purchase fruit from, he's the one who takes the greatest pride in delivering a hand-picked bin of grapes in as perfect condition as possible". Although the exact age of the vineyard is unknown, it is thought to be at least 90 years old. So, in 2015, when the right vintage presented itself, we did not hesitate to release a single vineyard bottling

All fruit was hand harvested and cooled overnight; 30-40% whole bunch ferments in open stainless steel and wooden fermenters with indigenous yeasts; maturation was on light lees in a selection of thick staved 600 litre demi-muids and barriques; unfinned and bottled without filtration.
